A MESSAGE FROM THE TOURNAMENT CO-ORDINATOR

Tom Veenstra

On behalf of the whole DCS community, I'd like to extend a friendly and warm welcome to all participating teams, coaches, fans and friends. We wish to congratulate all of the teams and coaches who have achieved a place in this tournament. You have all worked very hard to get where you are now.

DCS is excited to be hosting this fantastic tournament. I would like to extend a particular thank you to our two tournament coordinators – DCS parent extraordinaire Henrietta Groenendijk and the Athletic Director at Chemainus Secondary, Jennie Hittinger. Without their incredible energy and dedication, we would never have been able to organize and prepare for this exciting event.

We trust and pray that all of you: players, coaches and supporters will enjoy your stay in Duncan and that your experience will be a pleasant and positive one, regardless of your tournament ranking. May you truly experience the warmth of our “warmland” exhibited in the care, concern and love of our beautiful community. Blessings to all of you!

A MESSAGE FROM THE COMMISSIONER OF GIRLS' BASKETBALL

Jen Farano

I would like to welcome all the players, coaches, managers and fans to the 2017 «A» Provincial Basketball Championships. The BCSSGBA and BC School Sports are excited to have you attend and look forward to a great weekend of basketball. We'd like to thank the tournament committee for all of their hard work as it's very time consuming but well worth the effort. Teams who have qualified for this tournament did so through hard work and dedication and it is my hope that every team enjoys their experience and remembers it for a long time.

Good luck to all the teams.

A MESSAGE FROM THE PRINCIPAL AT DUNCAN CHRISTIAN SCHOOL

Jeremy Tinsley

Welcome to Duncan Christian School!

We had a blast hosting last year's Provincial girls basketball championship and again look forward to the excitement of welcoming teams from around British Columbia. Whatever the final scores of the games played, our hope is that you will experience the care and hospitality DCS is known for, from our students, staff and volunteers as well as from visiting teams and athletes.

We challenge you - athletes, supporters, and coaches - that as you compete, coach and cheer to reflect kindness, patience, and great sportsmanship to all around you throughout the tournament. May your tournament journey lead to strengthened relationships with coaches, parents and teammates, as well as new relationships with some of the many athletes from other schools.

If you have questions, please don't hesitate to ask our tournament coordinators or any of the helpful DCS student leaders and volunteers. Play hard and enjoy this terrific opportunity to represent your schools as part of the 2017 Provincial Championship!

If you have questions, please don't hesitate to ask our tournament coordinators or any of the helpful DCS student leaders and volunteers. Play hard and enjoy the terrific opportunity to represent your schools as part of this provincial championship!

A MESSAGE FROM THE BOARD CHAIR AT DUNCAN CHRISTIAN SCHOOL

Chris Climie

On behalf of the Duncan Christian School board, I extend a warm welcome to all the athletes, coaches and spectators participating in this year's Provincial Senior Girls 'A' Basketball Championship Tournament.

Duncan Christian has had the privilege to host tournaments of this caliber several times in the past and DCS will endeavor to outdo ourselves to make you feel honored and welcome.

This week will be a culmination of a years' worth of work and dreams for many of you. Getting to play your chosen sport at this level takes tremendous determination, agony at times, extremely hard work and I am sure some tears. The skills you have learned on the court have made you better ball players, but the lessons you have learned about setting goals, working together and succeeding as a team have made you better people. Regardless of where you may place this week, what you have done is a wonderful accomplishment. Now, relax and play basketball like you have all year. The stage may be different, but the rules are the same. The four other players on the floor with you, wearing your colors, are your partners, your team, your friends, and you owe it to each other to relax, have fun, and play as hard as you have ever played in your life. You have earned this privilege.

God has given you the tools to play this game, use them well, and may He bless the efforts you make on the floor.

A Message from the Hon. Mike Bernier

Minister of Education

B.C. is home to some amazing athletes and school sports play a vital role in a child's life. The healthier and more active students are the more focused and determined they are in the classroom. BC School Sports encourages students to play a part and shine in extracurricular activities. They also deliver support to schools when organizing games and tournaments. The events bring communities together and allow British Columbians to see our best and brightest in action. For many students, school is where they first begin their sport journeys, with help from coaches and volunteers. Many students go on to the highest levels of competition, representing B.C. nationally, internationally and in Olympic and Paralympic matches.

Good luck to every student and coach playing a part.

A Message from the Hon. Peter Fassbender

Minister of Community, Sport, Cultural Development

On behalf of Premier Christy Clark and the Government of British Columbia, I would like to welcome all student athletes to the BC School Sports Provincial Championship. Qualifying for this Championship takes hard work, dedication and countless hours of practice. I congratulate you for the focus and commitment. Your determination to excel will help frame your future, building resilience and respect for others through sportsmanship.

The Government of British Columbia is committed to promoting amateur sport and participation at every level for high school students, and we are proud that British Columbians have one of the highest sport participation rates in Canada.

I commend BC School Sports for its efforts in encouraging participation in both team and individual sport. These valuable programs provide the opportunity to learn new skills and make new friends, while remaining healthy and active.

This government also recognizes the important role that staff, coaches, parents and family members play in supporting athletes to qualify for a provincial championship. And thank you to the volunteers, organizers and officials for making this event possible.

On behalf of the Government of British Columbia, I wish the best of luck and great success to all athletes.

BC School Sports gratefully acknowledges the generous financial assistance of the Province of British Columbia

A Message from Mike Allina

President, BC School Sports

Congratulations student-athletes, teachers and community coaches in qualifying for the BC School Sports (BCSS) Provincial Championships.

I have had the pleasure of coaching thousands of student-athletes in my 28 years as a teacher in Vancouver. I know the hard work and dedication it takes to create successful programs. I have seen how young men and women develop skills in their sports of choice, leadership, team work, character and self-regulation.

BCSS is made up of over 400 member schools which provide opportunity for 90,000 student-athletes to participate in extra-curricular school sports. These programs would not be possible without the dedication of teachers, coaches, coordinators, sport commissions, athletic associations, and volunteers. BCSS is very thankful to all those involved in giving the youth of our province such a great gift.

I wish you all the best of luck as you compete in the 2016-2017 BCSS Provincial Championships.

A Message from Jordan Abney

Executive Director, BC School Sports

Congratulations on qualifying for this BC School Sports Provincial Championship! Just qualifying is a wonderful accomplishment, as only 14% of student-athletes playing high school sport in BC qualify to compete in provincials. With over 440 member schools, and nearly 90,000 student-athletes, you have earned the privilege to represent your community and your school and fight for a provincial title.

I encourage all participants to recognize the time spent by their coaches, both teachers and community volunteers, for the time they give to support the pursuit of your dreams and goals. BC School Sports has nearly 6000 coaches around the province that give up countless hours to make school sport a reality. Be sure to thank your coaches for all they have done.

Also, a huge thank you to those who make this championship possible. The Local Organizing Committee, the BCSS Sport Commission, the sponsors and event volunteers. So much goes into hosting a BCSS Provincial Championship and without their efforts, none of this would happen. Be sure to thank a volunteer this weekend for all they do.

BC School Sports believes interscholastic athletics is an extension of the classroom. The lessons learned through sport, provide the foundation for good leaders of the future. School sport fosters sportsmanship, builds character and establishes healthy active living habits that will last long into adulthood.

Athletes, I sincerely wish you the very best throughout the championship. Remember to represent yourself, your school and community with pride and sportsmanship. I hope this championship provides amazing athletic feats, fierce but respectful competition, and memories to last a lifetime.

DUNCAN CHRISTIAN SCHOOL

Student Comments:

"DCS is a safe and comfortable learning environment."

- Grade 12 student.

"The teachers at DCS have a genuine desire to help students grow and learn it is an encouraging environment."

- Grade 12 student.

"I love learning in a place where we can all relate on one thing - the love we have for Jesus Christ."

- Gr. 10 student.

Duncan Christian School is an independent, interdenominational school that was established in 1960 to provide Christian education in the Cowichan Valley. Our school is a member of the Society of Christian schools in BC. It meets the standards of the BC Ministry of Education's core curriculum, but the courses are taught from a Christ-centered world and life view. DCSS offers a wide variety of programs to our students. Our students have the opportunity to take not only the core academic courses but also classes in Construction, Home Economics, Acting, Band, Art, Applied Design, Information Technology, Recreation Leadership and other. We provide a number of extra-curricular activities for students, which enhance school spirit and help our students to develop their many gifts and abilities. Our sports program includes

badminton, volleyball, basketball, ball hockey, track, golf and soccer. we have an active Student's Council, Chapel Committee, and various clubs. There are different "fun days" and activities for students to get involved in such as a spirit week, Christmas decorating day, the Christmas banquet, the ski trip, the wakeover, and many, many more. Our students are given the chance to go on various field trips such as: Science World, The Chemainus Theatre, and the Parliament buildings. In the fall, the students are also given opportunities to develop their faith and their

leadership abilities through attending a retreat at Caprenwray Bible School, hiking the West Coast Trail, and participating in a mission's trip. In addition, we try to reach out to the community by participating in service days, the Christmas Adopt a Family, the rice raiser and a compassion child. We feel that we provide a diverse and interesting learning atmosphere at DCS, and one that is based on the truths of Jesus Christ. For as the Bible says, "The fear of the Lord is the beginning of wisdom." (Psalm 3:10)
